MEMORANDUM FOR: Deputy Director for Operations

SUBJECT : Letter of Appreciation

I am pleased to forward to you General Kingston's letter to me of 13 April, in which he expressed appreciation for the participation of members of the Operations Directorate in an unconventional warfare exercise conducted by the U.S. Army's Special Forces School.

General Kingston's letter was highly complimentary of the way these officers assisted in the 21-day Field Training Exercise.

Please pass on my thanks and appreciation to all for a job well done.
